Whispers from The Brighter World

Tuesday, July 19, 2016 – 10:00 a.m.

A unique work has been accomplished here, and this over the course of years. From now on, this contact will remain between our hearts as a sacred vow desired by the entire hierarchy. These messages are no longer expected! That is how it is, shall we say. You will henceforth receive us in your own way. Here the heart will remain vigilant to our words and the love will not weaken. Those of our abhyasis who call to us will always be heard.

Very special blessings to all and upon this great and beautiful Sahaj Marg Mission. It will defy time and so will these messages, this is to be highlighted once again. That is how it is.
