Whispers from The Brighter World

Monday, August 15, 2016 – 10:00 a.m.

Your heart rejoices, it transcends the suffering associated with your life – this, your heart knows how to do so well. This kind of love carries one; it helps one develop oneself against all odds. Grace illuminates your path. Do not feel embarrassed by these comments – they are so very true. What is hidden today will be revealed tomorrow. Doesn't everything have its raison d'être?

Here, you will rejoin not only loved ones who accompanied you in your life, but also the Masters of this Mission, as well as other Great Beings who left their mark upon the Mission in more ways than one. Be at peace, my dear daughter; when the day of the great journey arrives, we will be by your side. Remain serene and work as best you can for as long as you can. That which is done out of love amplifies its action.

Here, these comments emanate from our united hearts, and they have much more importance than is apparent; please don't consider this message as private.

Blessed are you, my dear daughter, as well as all our brothers and sisters who are attentive to these writings.
