Whispers from The Brighter World

Saturday, September 10, 2016 – 10:00 a.m.

In these moments, the best is developed. Our words flow into you and delight your soul, so keen to love, to reproduce with fervour that which emanates from the 'chorus' of united Masters. These words are the result of an agreement among all of us, who watch over this Sahaj Marg Mission and all of our abhyasis with so much love.

We cannot change each one's destiny – only soften it and bring to fruition the benefits that come from one's commitment to following us. Each of our brothers and sisters is attended to and listened to as fully as possible. Our action is barely noticeable but nevertheless effective, you can be sure. When the time has come for their assessment, this will be appreciable, truly so.

There is no time to lose – be assured, everything is counted. The best to all of you, under our very special blessings.
