Whispers from The Brighter World

Wednesday, September 21, 2016 – 10:00 a.m.

Fervent hearts are strengthened through loving. This long cycle of incarnations leads them to understand all the subtlety of life; they adopt all that is important for them in this journey, which is decisive and initiatory in many respects. The practice of Sahaj Marg saves precious time, it marks their course in a positive way and determines what tomorrow will be, in this long progression towards the Eternal. It does take time to understand the deep meaning of life, and each abhyasi is guided and supported in this respect. To all, motivation and commitment, in the pursuit of this "Ultimate' goal, carried by our Love and unceasing attention.
