Whispers from The Brighter World

Tuesday, September 27, 2016 – 10:00 a.m.

Each of the incarnated Masters differs in his human personality – such is life in its spiritual manifestation – he is 'but One' with the Hierarchy, which inspires him.

In daily life, we are at his side; his joys, his trials, in particular are not foreign to us. We ourselves have not been spared. The rules exist in this way and none can get around them, no matter how great and powerful they are in this world. It is not always easy to admit this fact and yet the divine laws are so, and this will not change. Surrender and acceptance are the best assets of human beings. No matter how fulfilled they may be, trials will always catch up with them. So it is. May all be strengthened and blessed especially.
