Whispers from The Brighter World

Friday, October 7, 2016 – 10:00 a.m.

Let us repeat once again: these messages are the only authentic ones, and they will remain a valuable asset of the Mission. New prospects are opening up, and our dear and great son Kamlesh will know how to make the most of them and adapt to the needs of the times. He will be inspired, when necessary, to do what is best and to act appropriately. We trust him fully. These writings are the only ones that truly emanate from the Source. In the future he will be inspired, thanks to our care. We are warning him once again that the imitators are many. He holds the golden key, the sacred key that connects him to our hearts. May he be blessed and strengthened in this sacred approach that is his. To all, the best there is.
