Whispers from The Brighter World

Thursday, February 2, 2017 — 3:00 p.m.

To a fervent heart, the position of the physical body is not important, as expressing oneself becomes a play of the Spirit. This is a very special grace being granted to you here. This flow of love between our hearts cannot dry up, but will only grow over time to cover this entire Mission. On this very special day we are by your side more than ever, and we support you with great love. Our dear and great son Kamlesh is so very blessed and carried in a masterly manner. All this extraordinary love creates a very special aura in that which surrounds you; it is relayed and increased many fold by the power of our 'K' who is by your side. This is a day of grace whose action will become evident with time. Rest assured, this action will reveal itself to the eyes of all. Be at peace, everything is for the best. Our wishes will come true, you can be sure.

May the best happen.
