Whispers from The Brighter World

Thursday, March 2, 2017 — 11:00 a.m.

There is a time for everything, planned down to the smallest detail, and each person's karma lies in this immense space where the divine purposes are fulfilled. The grandeur of creation has no limits; everything is renewed in this setup, as has been desired and foreseen in the divine plans for a very long time. Sahaj Marg is reappearing here below in another form, yet with the same essence and just as effective, if not more so, in its highly subtle action. The very sincere commitment of many abhyasis fully satisfies us. Doesn't everything have its raison d'être! The divine will is inescapable; everything is for the best and the good of all.

This is how it is.
