Whispers from The Brighter World

Thursday, March 2, 2017 – 11:30 a.m.

There is a time for everything. Planned to the smallest detail, each person's Karma finds its place in this immense space where the divine designs are fulfilled.

The grandeur of Creation has no limits. Everything is renewed in this configuration, as has been desired and foreseen in the divine plans, and this for a very long time.

Sahaj Marg is reappearing here below in another form, yet with the same essence and just as effective, if not more so, in its very subtle action.

The very sincere commitment of many abhyasis fully satisfies us. Doesn't everything have its raison d'être! The divine will is unavoidable; everything is for the best and the good of all.

This is how it is.
