Whispers from The Brighter World

Friday, March 3, 2017 – 10:00 a.m.

Long, very long is this way which is being offered to human beings to allow them a step forward, a progression towards the Eternal. It is not easy for them to put things into perspective, to distinguish between good and evil; in certain circumstances, choosing an option is no simple task. Following a spiritual path helps to clarify the situation, to put emphasis on what is most important and to not neglect what constitutes the sacred edifice of spirituality. Our brothers and sisters are on their way. We cannot force anything, but Sahaj Marg offers this privilege: to offer very positive perspectives onto the vast space of spirituality.

Here, everything becomes possible and the best can be accomplished.

This is how it is.
