Whispers from The Brighter World

Tuesday, March 21, 2017 – 10:00 a.m.

The path of Sahaj Marg is evolving, enabling a growing and necessary expansion. New structures are being put in place and will facilitate numerous aspects of this way of the heart. It has yet to give the best of its possibilities. Everything in its own time; it is befitting here to adapt to the needs of the present. This high place of Hyderabad will foster a new momentum. Its structures will generate specific vibrations capable of creating the very best.

This place has been in preparation for a long time. It will meet all our expectations through a cosmic charge capable of fostering an unprecedented ascent.

Important sites have appeared on this Earth at opportune moments, creating certain vibratory emanations, with striking effect. Therein lies the special feature of this world, that is awaiting many unprecedented changes.

The Sahaj Marg path will be part of this design and will thus reach its apogee. Doesn't everything have its raison d'être.
