Whispers from The Brighter World

Thursday, April 20, 2017 – 10:00 a.m.

These anniversary days will remain as the highlights in our Mission. Nothing should be changed with respect to such customs, which will stand out as great moments in everyday life.

We are all working to ensure that these events remain congruent at all levels and enrich this heritage. Sahaj Marg has become a beautiful and great Mission, representing a spiritual path that has not ceased to amaze. It is destined to expand considerably.

Its action is not in vain; it will unfold over time, revealing many positive and salutary aspects for humanity.

Our great son Kamlesh carries this Mission and is preparing a promising and oh so active future for it.

Everything will become clearer with time, as planned. Thus the wishes of the Hierarchy will be realised for the greatness of this way, which is capable of revealing the best. May the best be, for all.
