Whispers from The Brighter World

Monday, May 1, 2017 — 10:00 a.m.

This seminar day is a moment of peace amidst the turmoil of life. Spirituality is a blessed island, detached from the grossness of this world; this way of Sahaj Marg is given to human beings so that they can reach a higher level of consciousness. It is a very productive approach; it demonstrates its benefits enough to convince our aspirants. Are they committed enough? We cannot force anything, but only allow for the blossoming in people's hearts of this highly blessed flower, so rich in its effects. Witnessing the results obtained over the years makes us happy; these messages testify to it.

May the best happen for all our abhyasis. All are supported and so very blessed.
