Whispers from The Brighter World

Monday, May 8, 2017 – 10:00 a.m.

Love creates; may all fervent hearts unite in this Mission, in order to achieve the best. May all our fervent abhyasis unite in this discreet initiatory journey, so full of positive results.

The 'fulness' of heart is not an empty word; it conceals many aspects that would reveal a highly active power. Numerous countries are now benefiting from this action, which makes us happy. The sacred site of 'Hyderabad' will surprise people in the future by the richness of its action. It will bring together many hearts carried by grace and attentive to what it can produce. Sahaj Marg will continue to astonish and produce an action rich in its effects. The Mission has already come a long way and, more and more, it will offer positive and even amazing results.

May the best be for all. Special blessings for the best to be fulfilled, according to our wishes.
