Whispers from The Brighter World

Thursday, May 18, 2017 – 10:00 a.m.

There is a time for everything in a life; divine love has an important place in it. Being able to reach the best indicates an elevation of the soul up to the possible level – in an incarnation where great spaces have become accessible. Having a spiritual Master helps considerably; Sahaj Marg offers numerous resources, many more than it seems.

How many disappointments and trials, however heavy or light, are to be overcome in order to understand the profound meaning of a life. Each life allows one to experience and to understand the true meaning of a life.

When the time comes to take stock, the human being measures his or her action – the benefit of it as well as the many mistakes. Doesn't everything have its raison d'être.

May the best be for all, under our constant attention and our blessings.
