Whispers from The Brighter World

Tuesday, June 13, 1995 – 9:30 a.m.

(In meditation.)

My child, your life is going to change; you must prepare to modify it. You must focus it much more on the spiritual. Do not neglect your abhyas as you do. How can you think to advance and serve me at high levels? Change your way of life, be more in a state of love, and I will give you more. Do you really want to serve me? Then love me totally and be available for me and for him; he will need it. In a few days, I will give you a message for him. Reflect well on what I have told you. Go more often to the ashram; speak on my behalf. Radiate love, it is critically lacking in this world. I love you my child, and I support you; don't forget it, no matter what happens.
