Whispers from The Brighter World

Saturday, April 28, 2001 – 8:30 a.m.

You see how a lofty thought attracts grace. You are faithful in love; these great beings that strongly influenced your life have left an indelible mark on you. Our brother Ramakrishna is one of them. He lived immersed in love and the infinite grace of God.

Chosen soul, oh how he continues to light the world.

Prepare, in your heart. Meditate more; we will be particularly united on the 30th of April, for the anniversary of my coming on Earth. Thus was it decided – my humble person was chosen to fulfil this mission.

We will not insist anymore today, be at peace.

Convey my blessings to your brothers and sisters.
