Whispers from The Brighter World

Friday, June 15, 2001 – 10:00 a.m.

We will often be present in these moments of communion that unite you all. You are surrendered to the divine inspiration that guides you and will govern your lives until the end. By agreeing to serve us, you are committed to a marked path that can only help each of you in your own spiritual fulfilment.

Pure and ardent hearts will see the light. Serving with all your heart, tirelessly, is a key element of your personal evolution.

Stay united, each of you, in love and faith in your Masters. Be surrendered to their plans, even if they do not match your wishes. Trust them, they know what they are doing; they are working for the good of you all.

Be at peace, you have all our blessings as a sign of welcome. Make the most of these moments spent together.
