Whispers from The Brighter World

Saturday, June 16, 2001 – 8:00 a.m.

Take refuge in love, plunge into its midst, isn't this the best way of forgetting the vicissitudes of life?

You have seen it for yourself: we can come back to this subject indefinitely; it is universal and a true refuge in this world.

Engaging in this spiral is exhilarating, there are no limits to it. The notion of time loses all its importance and the soul can soar, in rapture.

You cannot change your body, forget it in this moment when the only thing that counts is this perfect union.
