Whispers from The Brighter World

Monday, August 9, 1999 – 8:00 a.m.

We know that we ask a lot of you, but we know your qualities of courage and perseverance. We also know what that brings to your life.

As soon as you feel able, we will resume our usual pace. Above all, rest, and accept what is in this moment, in all areas. Be patient and confident. If everything were to stop, you would feel a huge void; therefore, make sure you can resume our contacts soon.
