Whispers from The Brighter World

Monday, August 9, 1999 – 10:00 a.m.

Do not fear anything, this state is temporary, we will resume as soon as you are able.

One day, when you are no longer so tired, you will find the time and the desire to reread these messages, and you will know how to draw from them their very quintessence.

(1:30 p.m.)

F is a good and important servant of the Mission. He does his work well. He knows how to keep his place. He does neither too much nor too little.

We appreciate him.
