Whispers from The Brighter World

Wednesday, August 11, 1999 – 8:00 a.m.

My dear child, you have done a truly great cleaning work. The bulk of it is done. Continue to rest, you need it. There is still a lot to do. Afterwards, the work will be of a different kind. Let's take it one step at a time, and we will see how to guide you.

We are with you, don't be discouraged.

Bathe in this light that's inside you. It is immutable, out of the reach of human madness.

It is your real treasure. Spend this day calmly.

We are pleased with you, we bless you and your women friends as well.
