Whispers from The Brighter World

Friday, August 20, 1999 – 10:00 a.m.

Be truly united with the Augerans seminar. Your Master doesn't forget you. Be there in thought as often as possible. My son does his work wherever he is. If he is not physically present at this seminar, it is not a whim on his part. That is how it must be. Abhyasis must grow in wisdom and understanding of spiritual life. They must on no account confine themselves to the visible and the palpable, which are human characteristics.

Trust and surrender are the two strong points they must cultivate.
That is enough for today. Remain as calm and detached as possible.
Be patient, my child, we love you.
