Whispers from The Brighter World

Monday, August 23, 1999 – 10:00 a.m.

In your case, my child, we are advancing with prudence on uncertain ground. We need to take things very slowly. You are much weakened by your health ordeals, but rest assured, you are advancing more than you can imagine.

Be confident on all counts. Don't you feel how much we surround you? Then, take heart!

(Visit of JL, today at 3:00 p.m.)

Tell J how much we value her work and the feat she has been accomplishing for so many years.
