Whispers from The Brighter World

Friday, August 27, 1999 – 10:00 a.m.

The doors will soon open for you. You will benefit from a special and subtle energy. Be happy, you are climbing the steps with a heavy burden to bear, but the result is there.

Your Master does not forget you, as you believe; you are not just an element lost in the crowd. He follows your progress with interest. In this incarnation, you can only communicate on other planes. In spite of that, your relationship is solid, even if you play at ignoring one another here below.
