Whispers from The Brighter World

Wednesday, September 1, 1999 – 10:00 a.m.

All is not over, my child, you will still take down some beautiful messages; our scribe has not retired.

You must all, through them, kindle your inner fire.

Do not weaken, be vigilant, centred, in the way we mean it. Advance in life while living normally, but staying connected to the essential – the heart of the heart which is inside you all and which holds the key to everything.
