The Medium: Babuji, tell me something. I need to hear you.

Yes, on one condition: no censorship. For us, you are a rare being, even if your behaviour in everyday life lets nothing of it show.

We breathe in this exquisite perfume your heart distils. It is good and restful for us to come and bathe in this fragrant and loving place.

Is it something like that you wished to hear?

The Medium: Yes, my Beloved, these comments are the best of all therapies; this soothing and divine breath refreshes my soul.

We are getting closer and closer, my child. You, who enjoy being in the shadow of my shadow, as you say; one day, that shadow may well bring you into full light.
