Whispers from The Brighter World

Friday, September 10, 1999 – 8:15 a.m.

You don't have to apologize for the delay; we have let this message go through to help A-M in her sorrow.

Let her be happy for her friend. All is well for her. You know only too well how much one suffers when losing a dear one, yet you also know that leaving one's body is a deliverance and a beginning.
