Whispers from The Brighter World

Friday, September 10, 1999 – 10:00 a.m.

You can see that all was not lost, you're starting to emerge again. Be very careful, don't go beyond your capabilities. That's your problem: always doing more than you can manage. We cannot do without our preferred medium, so spare yourself to ensure what's important, that is, our contacts and what ensues from them.

Minimize your material worries for an ever-increasing availability on the spiritual level.
