You are my beloved child. Make effort as much as you can.

It is important that you go to Augerans. Make the best arrangements for that. We will help you and facilitate a contact with the Master. He will be well disposed towards you and will show it.

I wish you to be in the best of conditions. We will give you the means for it, in due time. Prepare yourself well for Augerans. Go down every day to the ashram. Do your best. We love you and protect you. Be strong and determined to reach the goal.

The Medium: Is this really you here, Babuji?

You know it well – don't you feel it in your heart?

The Medium: Are you satisfied with me, Babuji?

(He is smiling.)

Make efforts, never stop, as long as you can; life is short. Dr. Lang has done a good job. Try to maintain this state, without doing anything imprudent. I bless you, my child.

Babuji

The Medium: Thank you, Beloved Babuji. You are the salt of my life, you are the joy of it, its strength and beauty. Thank you, from the depths of my soul.
