Whispers from The Brighter World
A Fourth Revelation

This doctor has a good approach to the reality of the heart. Important aspects escape him, but he has a good understanding of the issue.

"A day will come when all that we say on the 'heart as the seat of the soul' will be proved scientifically.

"Dr. Pearsall[1] went through a spiritual process which opened his comprehension. It would be good for abhyasis with sufficiently enlightened minds, and ready to understand his comments, to read this book.

"In the future, all will be provable; what is explained in our books is not very comprehensible yet, but it will be so for future generations.

"Some of you need to rely on almost mathematical data, as your minds are configured thus.

"There are various ways of addressing such important questions. There are intuitive people who accept straightaway and there are the arguers who need rhetoric to reinforce their way of thinking. Whatever way is followed to reach the goal, what matters is to reach it."
