Whispers from The Brighter World

Wednesday, August 14, 1996 – 4:00 p.m.
Mahasamadhi of Lalaji

Don't worry about events to come; follow your way, you are truly lucky. An important work is currently being done, particularly on Europe. One day Sahaj Marg will have to be purified. To ward off temptation, adorn yourself with the shield of faith. I bless you, my daughters. Do your practice well, it is your most precious good.

(Françoise was present, with whom we brought up the future predictions concerning the great upheavals on the planet. Hence Babuji's message.)
