Whispers from The Brighter World
A Fourth Revelation

Saturday, November 13, 1999 - 10:00 a.m.

Yes, my daughter, you know it. Sometimes life makes one take unforeseeably big and surprising turns; these are the vagaries of life. Later one realises their positive aspects, although they caused some inconvenience at the time.

"The ability to quickly adapt to circumstances is a quality which all of you must develop; it will be useful to you throughout your existence.

"Being able to face up to destiny is a great force. History includes reports of the life of many persons who had shown courage and extraordinary abnegation in certain situations. Be heroes who can brave the strokes of fate.

"Faith is the only and real shield for all of you; you should be able to use it in all circumstances, thus you will not be taken aback. Our ways are not yours; the choices we make for all of you are always the best for your fulfilment.

"Give thanks, in good as well as in bad moments.

"Do not feel too worried by all these remarks; live from day to day and all will be well. Be blessed."
