Whispers from The Brighter World

Thursday, April 6, 2000 – 8:30 a.m.

When you come to rejoin us, you will be astonished; we have played so many roles over the course of our successive incarnations. When my true face is revealed to you, you will be happy to have shared this experience with 'The Venerable'.

Our paths cross by divine grace. You know how to soften hearts with this small key that is seemingly insignificant, yet can open the most precious coffers where secrets are hidden. Your Beloved carries you in Him, and to Him, what can one refuse! He is a prince in this Brighter World – not to say a king, since the king doesn't have a face, and has never had one, he is 'all-powerful'. Since the beginning and until the end of time, it will be so. You will discover a part of 'these secrets' when the moment comes, when you will be nothing more than subtle vibrations, far from the turmoil of the Earth.

For the moment, you must continue to advance blindfolded, but connected to the heart of the worlds.
