Whispers from The Brighter World

A Fourth Revelation

Tuesday, November 23, 1999 - 10:00 a.m.

You must familiarise yourself with all this modern technology. I already said to you that it is necessary to move with the times. Take your Master as a model; see how he takes advantage of progress!"

The Medium: "Babuji, I will never manage to be as competent as him in this area. I prefer to stick to our means of communication."

"You have preconceived ideas about all these devices; it only takes some minimal knowledge and a little goodwill to adapt oneself. Perhaps you will need to go a little further to satisfy us!

"You are very much disturbed by this treatment and we will not complicate things by making you get a glimpse of other constraints; there is a time for everything.

"Rest and do not think that being a mystic entails withdrawing from the world and especially ignoring it. That is not like you; you must remain open-minded and curious about innovation, as you have always been, in spite of your lassitude."

(Continued)

"Yes, this message must be included in the series.

"You should remember, you all should remember, that everything we say has its importance, even if it does not seem obvious to you."
