Whispers from The Brighter World

Thursday, February 3, 2000 – 10:00 a.m.

Start having yesterday's message translated for your Master, he must see that we too communicate. It can be delivered to him later.

Be confident about all our projects; do not be discouraged for having to bear so many ordeals. Your body is an excellent tool that allows you a beautiful evolution.

You can be thankful to it for what it must endure for your good.

Wait courageously for things to become clear; remain fully united with us through the heart.
