Whispers from The Brighter World

A Fourth Revelation

Friday, November 26, 1999 - 8:00 a.m.

Yes, my dear child, you can thank God. You shared your life with an ideal companion. He was present and attentive towards you in all the tests that you went through.

"You are united by an extraordinary love, which you always regarded as a divine grace. Your having met him transformed your life as well as his. It is a great day for him, here, and you have felt it.

"You can rejoice, even if you miss his presence infinitely. He has reached a level of perfection which must make you happy. We wanted to share this happiness with you, knowing that it would give you courage. That he is no longer with you is sometimes painful, but we know your generosity of spirit and we know that this news can only delight you.

"You will meet again one day, dazzled by your respective lights, divested of superfluity, and beautiful with true beauty.

"Your souls are united forever; they vibrate in unison and nothing will change that. Therefore, you should endure this separation – which is not one – without sadness. Take heart, my daughter. You carry on with your process; we know your sole and great desire, but the time has not come as yet. Show some more patience and your wishes will be answered."
