Whispers from The Brighter World

Sunday, June 13, 1999 – 8:00 a.m.

Let your heart, especially on this day, remain united with ours. You know that when my son comes to Augerans he does not forget you, you have the proof once more.

Be well connected with us; remain in a kind of permanent meditation today.

We want to lighten your burden. We are not indifferent, neither to your sufferings nor to those of humans in general.

But you know the principle, there is no need to go back to that matter. We have a different way of seeing things, which you cannot easily understand.

You have to be totally trusting and surrendered to do this.

The universal laws cannot be changed, that's how it is.

We do everything that can be done, within the limits of our possibilities. We cannot transgress the rules.

Be always grateful and loving, no matter what happens. It is the way to saintliness.

When accounts are settled, at the end of the road, the scales will tip in your favour.

Acting in this way makes you all stronger.

Whether you are happy or unhappy, keep the same faith, the same love, and give thanks. You will show great wisdom.

You will feel strengthened to face up to the events of life, the trials that are bound to come. Whatever happens, stay centred, don't sink into despair. Put into practice all that you have learned.

The Divine will help you.
