Whispers from The Brighter World

Wednesday, February 9, 2000 – 8:00 a.m.

My son is happy, these messages restore his courage. A spiritual Master, at his level, is alone. He is different from his human brothers and sisters. His spiritual condition is such that it places him above his flesh-and-blood fellow human beings, while he is cut off from the brighter world to which he belongs. He accomplishes his mission. He has chosen his destiny in this Earthly incarnation, and he fulfils it well.

He longs to reunite with us, to go back to his real homeland, close to those he loves and who do love him in return. The sincere expressions of love from some of our brothers and sisters warm his heart. He particularly appreciates the encouraging messages he receives from us through this channel. We form a family of souls which, thanks to this relay, can send luminous signals reinforcing for him the contacts he already has with us in another manner.

You know it, you who like to drink from different sources and thus get confirmation.

Try to regenerate yourself and return to your best shape, for this work we expect from you.

Babuji
