Whispers from The Brighter World

Wednesday, February 9, 2000 – 10:30 a.m.

For this Foundation, it will be necessary to be very prudent and to base its legal structure on American law.

Don't do anything in Europe, which will once again undergo the test of fire in the future, with all that that involves – the hunt for whatever might be considered an occult power by extremist dictatorships that ruled in the past.

These forces of evil are there in the shadows awaiting the moment to show their omnipotence.
