Whispers from The Brighter World

Thursday, February 10, 2000 – 8:00 a.m.

My dear daughter, you have passed through some important stages, where you've been able to keep faith in us and show us your love. The result is satisfactory.

You will now be able to advance towards the next milestone, which will bring you closer to us. The veil being less opaque, it will allow you to receive us more easily. Meditate as much as possible, you're not giving enough time to practice. Organize yourself differently, since there are fewer messages. We are very happy to see your sisters meditating with you.

You are deprived of the ashram, yet these moments are beneficial for you all. Take full advantage of this day [Basant] in which subtle vibrations are coming towards the Earth.

Be in love and joy.

Babuji
