Whispers from The Brighter World

Monday, February 21, 2000 – 10:00 a.m.

ou need a little more patience.

The Medium: That's all I'm doing, Babuji, being patient.

That is what you had to work on in this life; its yoke has forced you to become patient. Along with acceptance and surrender, the formula is excellent for making the most beautiful journey, don't forget that.

Come and join us in your inner sanctuary.

As for the events we have in mind, be confident; there too, time must do its work.
