Whispers from The Brighter World

Friday, March 3, 2000 – 8:30 a.m.

We are happy to see the personal progress of you both. Will the summit meeting take place? Let's wait and see...

Take care of yourself, my child, stay calm and keep your spirits up.

It's not all over as you think. Your situation is very uncomfortable but not desperate. Look towards the sun rather than the shadow.

You are able to receive us, so there's every reason to hope.

Remain confident and in union of heart with us.

Babuji
