Whispers from The Brighter World

Wednesday, June 7, 2000 – 10:30 a.m.

(Looking at Babuji's photo in front of me in meditation and seeing the upper part of his face in relief is a moving experience.)

No, you are not dreaming, I am here. Words are superfluous. Content yourself with this experience today.

Rise above the worries of this world. Let your heart delight in the grace you receive.

It extends to the brown-headed ones you carry in your heart and to this girl so close to your heart, who is courageously going through a painful trial.
