Beloved Master
Revered Babuji Maharaj

Whispers from The Brighter World

Thursday, June 29, 2000 – 5:00 p.m.

(Meditation with AM and F)

Today, you will have only softness; each of you three need it.

Take refuge in the practice.

AM and F do not realize the importance of these messages and the impact that they will have in the future.

Be blessed.

Babuji
