Whispers from The Brighter World
A Fourth Revelation

Saturday, December 11, 1999 - 10:00 a.m.

Yes, my daughter, plunge into yourself with delight, words will come later. It is not easy to write in this state; let your hand do its work and let your heart be delighted. This situation I am well placed to understand, since I experienced it far before you."

The Medium: "I am only a small nothing laid on your heart and I benefit from your divine vibrations. Thank you, my Beloved; thank you for all."

"This 'small nothing' is earning, gradually, its acclaim and does not want to realise it. You are right, it is not important to know. Not knowing any more is utmost surrender. Live these moments intensely, they are precious, unique and are never repeated in the same way. To reach the state of no-knowledge, of no-feeling, is sublime, ecstatic and indescribable.

"You all must manage to reach it; you know the process that can lead you to it. It is the best objective that you can have.

"With our blessings."
