Friday, October 27, 2000 – 10:00 a.m.

The only true conquest is there, in what we have just told you all. This program may not seem appealing to you, and may not satisfy your curiosity, but it's the only means for you to one day reach levels of consciousness that will give you the only worthwhile knowledge.

The picture is painted, there is nothing thrilling about it, except if viewed from a purely mystical standpoint.

You may all wish to advance slowly, picking flowers here and there along the way. Be careful however, some of them can be dangerous. Human beings often fall for misleading appearances.
