Whispers from The Brighter World
A Fourth Revelation

Friday, December 17, 1999 - 10:00 a.m.

I understand you. I too had to cope with the hassles of everyday life and put up with difficult characters, but that was a mandatory anchor on the material plane. There was no question of gliding as I liked.

"We would like you to be in a state of greater serenity with relation to your housekeeping problems. We hope to see you resolving them soon; there too, a happy medium is required for balance. We must preserve your energy for the most important things, including our daily contacts.

"We understand your situation which is not easy. Be patient, it is never easy to depend on others; we will manage to find a satisfactory solution for you.

"Your energy capital is to be preserved; we are applying ourselves to that.

"Try to finish this year in a state of confidence, despite everything.

"We will be particularly close to you."
