Whispers from The Brighter World

Tuesday, January 9, 2001 – 10:00 a.m.

Here is the picture, my son: replacing you is no easy thing. You must arm yourself with courage and wait until we judge the moment to be right. It is still necessary to put a certain number of things in place and to choose functionaries worthy of your trust.

The role of a spiritual Master, when the movement reaches a certain size, requires a level of abnegation and courage of which abhyasis have no idea. Don't go beyond your strength, we beg this of you and bless you.
