Whispers from The Brighter World

Sunday, January 21, 2001 – 9:00 a.m.

The Medium: Babuji, it is so good to love you, to be able to tell you so, and to say it again endlessly. What would my life be without this song of love that repeats itself over the course of days, punctuated by these daily contacts that you do me the grace of granting me!

What you are living was planned well in advance. You can be happy to serve us and thankful for having been chosen for this.
